Please enclose a \$75.00 check payable to the Gardiner Association of Businesses for your annual membership (\$40.00 for Aug. 1 – Oct. 31). Your membership entitles you to one listing in our business directory per business/DBA that you own. Additional listings for that same business may be purchased in multiple categories for an additional \$25.00 each. If purchasing additional categories, please include appropriate payment. Your membership also grants you your own webpage on our website, www.gardinernybusiness.com. If you already have a website, the GAB website will link directly to yours. If you do not yet have a website, this will give you a presence on the web.

If mailing application, please paper clip your business card to this form.
